

Making Deductions

Marlin the Magician

Marlin the Magician is looking for his bunny. Fanny Frog tells him that the bunny is hiding in the shapes. Which one has the bunny in it?

Look at the shapes. Then answer the questions.

1. The bunny is **not** in a triangle. Draw an **X** on all the triangles.
2. The bunny is **not** in a circle. Draw an **X** on all the circles.
3. The bunny is **not** in a square. Draw an **X** on all the squares.
4. The bunny is **not** in a star. Draw an **X** on all the stars.
5. Circle the shape with the bunny.
