

## Reading Passage 2

### Benny

My name is Benny. I am a bee.

I am a black and yellow bee.

I live in a beehive with my family.

I can help my family. We all work hard.

Every day we go out of the beehive  
to gather nectar from the flowers.

We work hard to make sweet honey.

You can hear us when we fly by.

“Buzz, buzz.” Look out!

Do not get too close.

I will think that you want to hurt me.

I might sting you.

Be careful!
