The Heart of Courage

Scavenger Hunt Game

This game allows children to collect or touch a variety of simple objects from their surroundings. It is designed to get their hearts beating, so quickness is encouraged but not necessarily competition. Only give the children one item at a time to search for, so that they must return "home" to you, thus increasing their level of physical output. Three versions are provided for collecting items either indoors or outdoors. Adapt as needed.

	INDOOR (home)	INDOOR (school)	OUTDOOR
1	Spoon	Spoon	Twig
2	Gather 3 red things	Gather 3 red things	Gather 3 green things
3	Bar of soap/soap dispenser	Paper towel	Pine cone
4	Plastic bag	Piece of trash	Piece of trash
5	Pillow	Piece of paper	Rock
6	Pair of socks	Backpack	Touch a mailbox
7	Tube of toothpaste	Eraser	Leaf or weed
8	Book or magazine	Book or magazine	Go down a slide
9	Ball	Ball	Listen for a car honking
10	Stuffed animal	Lunch bag item	Insect

Write down the names of the children participating in this activity. Check the column as each is completed.
