3. Flip the paper upside down and fold the four corners along the solid line.

5. Write different numbers on the outer triangles.
6. Flip the square over again so the side with the messages is up. Fold the four corners in on the lines.

How to Play:

1. Ask a partner to pick a word or number. Spell out the word or count to the number chosen while pinching and pulling sections back and forth.
2. Ask partner to choose a number. Count the answer aloud while pinching and pulling sections back and forth. Repeat.
3. Ask partner to choose one more number. Lift the flap and read the words of wisdom under that number.
