

Garbage With a History

All garbage is not created equally as some garbage will decay (break down) quicker than others. It all depends on what it is made of. Some trash could take a hundred years or more to decay.

Directions: See if you can match each item with the number of years it will take to decay.

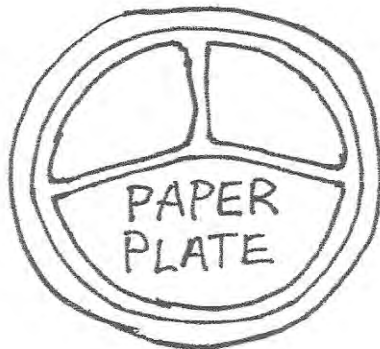

5 years
10-20 years
30-40 years

200-500

years
250 years
1 million years
